# Who we are

BYLAWS OF THE EUROPEAN ACADEMY OF NURSING SCIENCE (EANS)

## **Section 2: Authority**

The European Academy of Nursing Science is an independently organised body composed of individual members who have made significant contributions to the advancement of nursing science in Europe through scholarship and research. Europe is defined in a broad sense as by the Council of Europe.

### **Purpose of Academy:**

The purpose of the Academy is to be *the* scientific community in Europe providing inspiration, collaboration and academic leadership in nursing by sustaining a forum of European nurse scientists who are developing and promoting knowledge in nursing through research and scholarly achievement in the pursuit of excellence.

## FIND OUT ABOUT MEMBERSHIP

Members of the European Academy of Nursing Science must be actively involved in research in the practice of nursing.

### FULL MEMBERS

To be a full member of EANS you must be:

- a registered nurse or midwife according to the definition of your country to include the broad spectrum of professional qualifications such as nursing, mental health nursing, midwifery, health visiting, community and family nursing
- from a European State as defined by the Council of Europe:  
[www.coe.int/en/web/portal/47-members-states](http://www.coe.int/en/web/portal/47-members-states)
- qualified at doctoral level

Full members are admitted to EANS in recognition of their contribution to nursing science. Full members constitute the community; have full voting rights, may stand for election to any position on the Board of EANS, have access to EANS for the organisation of scientific meetings, have the right to attend scientific meetings of EANS and the right to use its information services.

Full members who fulfil additional criteria can also apply to become a Fellow of EANS

Currently, the annual cost of an EANS Full Membership is €105.
